Randall,

Please let me know at your earliest possible convenience where DP&L stands on our request. I realize that the holidays are nearly upon us but appreciate any feedback you can provide before the end of the year.

Thanks,

Ken

In your letter of December 17, 2008, you reference my letter of May 8, 2008 and an e-mail response that you made to that letter on June 6, 2008. I apologize if I overlooked that response, but it is not in my e-mail folders or my hard copy file. Could you please forward that June 6, 2008 e-mail to me? I will make every effort to follow-up on this before the end of the week.
